

IAF MLA Committee Members

IAF Secretariat

28 February 2017

Note: Each Member of IAF is entitled to nominate one Representative to be a member of the MLA Committee (IAF PL5:2012 Clause 6.5.10). Given that the MLA Committee now has responsibility for making decisions associated with both MLA policy issues and MLA signatories, the list of members consists of three tables; Table 1 lists all MLA signatories and Tables 2 and 3 list all other members. For decisions associated with MLA signatories only those members included in Table 1 can vote. For all other MLA related matters the full membership can vote.
