Presenters:
Dr. Cynthia Woodley
Dr. Christine Niero
Dr. George Anastosopolous
Dr. Vijay Krishna
Welcome

Workshop Cooperative Effort from the WG on Certification of Persons (ISO/IEC 17024)

• Intent is harmonization of 17024 through workshop rather than guidance document.

• Suggestion that minutes be kept of results of workshop so can be shared (not just video of results).

• Will determine if there is still a need for a guidance document for ISO/IEC 17024 after the workshop.
Background Information

Background Information

Implementation issues identified and presented to the WG to determine if a guidance or MD needed.
Background Information

WG decided to try a workshop first to see if issues could be resolved by providing information rather than a guidance document or MD.
Background Information

This is the resulting workshop
Implementation Survey

Results of Implementation Survey

Dr. Vijay Krishna, ANSI
Mr. Phil Shaw, UKAS
Mr. Ed Weiles, RvA
A survey was conducted during December 8, 2015 - March 10, 2016

117 responses were received: 73 from ABs and 44 from CBs

Frankfurt meeting 2016- TC was presented with overall analysis regarding responses received

An initial analyse of the detailed the comments received was completed following Frankfurt and these were discussed during the WG meeting in New Delhi on October 27 and are summarised as follows
IAF Survey on interpretation issues regarding ISO/IEC 17024:2012

• Question: Is there a need for guidance on the application of ISO/IEC 17024:2012?

• Methodology:
  • Review of quantitative data
  • Review of comments

• All comments were reviewed and classified as interpretation issues vs. non interpretation issues.

• All interpretation issues relating to a particular clause were grouped together. All issues raised by CBs and ABs were aggregated.
Requirements generating most concerns among ABs

- 4-Gen. Req.
- 5-Structural Req
- 6-Resource Req.
- 7-Records
- 8-Cert Schemes
- 9-Cert Process
- 10-Mgt System

- Major
- Some
- None
Requirements generating most concerns among CBs

- 4-Gen. Req.: 14 (Major), 1 (Some), 0 (None)
- 5-Structural Req.: 16 (Major), 0 (Some), 1 (None)
- 6-Resource Req.: 15 (Major), 2 (Some), 0 (None)
- 7-Records: 15 (Major), 2 (Some), 0 (None)
- 8-Cert Schemes: 16 (Major), 1 (Some), 0 (None)
- 9-Cert Process: 13 (Major), 2 (Some), 0 (None)
- 10-Mgt System: 15 (Major), 0 (Some), 1 (None)
Clause 4: General requirements

• 4.3.6 - clarify ‘ongoing basis’ to identity threats to impartiality
• 4.4 - Is CB’s liability limited to the certification activities or does it extend to consequences from certification activities?
Clause 5: Structural requirements

• Require clarification when education or training is a prerequisite, the CB has to rely on the assessment by training providers or educational institutions which is not usually available.

• 5.2.3 – Can the certification and training processes be performed by same person with sufficient safeguards?
Clause 6- Resource requirements

• 6.2.2.2-Guidance on proper monitoring the performance of examiners and reliability of CB’s monitoring mechanism is appropriate.

• 6.3.2. Assessment of small vendors who operate from their homes.

• *Use of external personnel—not outsourcing* (17021-1, 17065 etc)

• Clarify other resources—maybe examples.
Clause 7: Records, Public Information, Security

Guidance on

• What is examination records?
• 7.4.2 d) acceptable evidence to ensure CB has considered the threat of repeated use of examination materials.
• 7.4.3(b)- guidance on online/remote proctoring.
• Does legally defensible arrangement cover impartiality committee members?
Clause 8. Certification schemes.

The most requests for guidance re role of scheme committee and when it is an external committee, the responsibility of the CAB and relationship/communication, support etc. with the external committee. The publication of ISO CASCO document on how to develop schemes should be helpful.
Clause 8: Certification scheme

Clarify

- 8.5- Review and validation of scheme
  Clarify “review’ and “validation”
  Clarify “ systematic and ongoing”
- Definition of a scheme owner
- Responsibility of scheme owner vs. responsibility of CB
- 8.3 Dealing with certification schemes based on ISO or other national standards that do not meet clause 8 in entirety.
- ‘Grandfathering’- retroactively awarding certification to individuals.
- 8.2. d) Is aptitude equivalent to abilities?
  - Is abilities same as competence?
- 8.3 Certification schemes with no recertification or extremely long recertification period.
Clause 9: Certification process requirements

- 9.1.2/9.1.2- Guidance on application review.
- 9.4.7- clarification on who is ‘responsible member of the certification body’.
- 9.4.8 Should external codes/standards used in certification schemes be referenced in the certificates.
- 9.6.4- Determining adequacy of CB’s recertification requirements. Example: schemes with continuing workplace learning and competence self declaration or employer declaration.
- Clarify independent technical review/decision stage, and signing of certificate when later is purely an admin function.
Clause 9.6: Recertification

Guidance on

• 9.6.4 Does recertification require a formal assessment/examination?
• 9.6.5- Clarify “consider at least”.
Is the management systems requirements well defined----discussion needed. Consistency with other standards ? ?

Clarity re what should be documented?
